Everyone appreciates a little comfort in their life and Meggs, the Nabilla Cat, is no different. With an expanding family, he knew he was going to need more space, inside and out. Nabilla Riverlink Estate has rapidly become one of the most desirable neighbourhoods in the Mackay region because it gives people what they want.

Large blocks of land (average more than 1000sqm over the entire estate) allow home builders to build the home they want, without being restricted to what will fit on the block. Only a few minutes from the Mackay City Gates, but with all the community feel of a country town, more and more families are choosing to call Nabilla Riverlink Estate home.
